

## Medica CompleteHealth (featuring care at Mayo Clinic)

### Overview

Medica CompleteHealth<sup>SM</sup> is an accountable care system product offered in 4 counties in western Wisconsin and in 18 counties in southern Minnesota. Medica CompleteHealth includes care at Mayo Clinic Health System sites in southern Minnesota and western Wisconsin and at Employee and Community Health at Mayo Clinic in Rochester and Kasson. Members also have access to Northfield Hospital & Clinics, Winona Health and Winneshiek Medical Center. Members may see any provider in the Medica CompleteHealth network without a referral.

All providers have direct access to Mayo Clinic’s resources and expertise locally. If care at Mayo Clinic is necessary, Medica CompleteHealth providers can make arrangements for their patients. Members can also access non-network providers but may have higher deductibles and out-of-pocket expenses than for in-network providers. To verify which providers are included in this product’s network, [use the online provider search on medica.com](https://www.medica.com).

NOTE: Sample cards do not reflect the format of the production Group number, which is a 5-digit number.
